## Our Supporters and Mission Partners

**Join others who support our collective efforts to ensure a connected and powerful nonprofit community equipped to champion the public good.**

Nonprofits are bridge-builders weaving our communities together. Invest in our work to strengthen and amplify the impact of small to midsize nonprofits embedded in local communities throughout the country – the 97 percent of nonprofits with revenues less than \$5 million on which tens of millions of people rely daily. Your investment in our work expands the advocacy, research, information sharing, and capacity building resources available for all nonprofits – even those you are unable to support directly.
